

2016-2017 ASSESSMENT CALENDAR

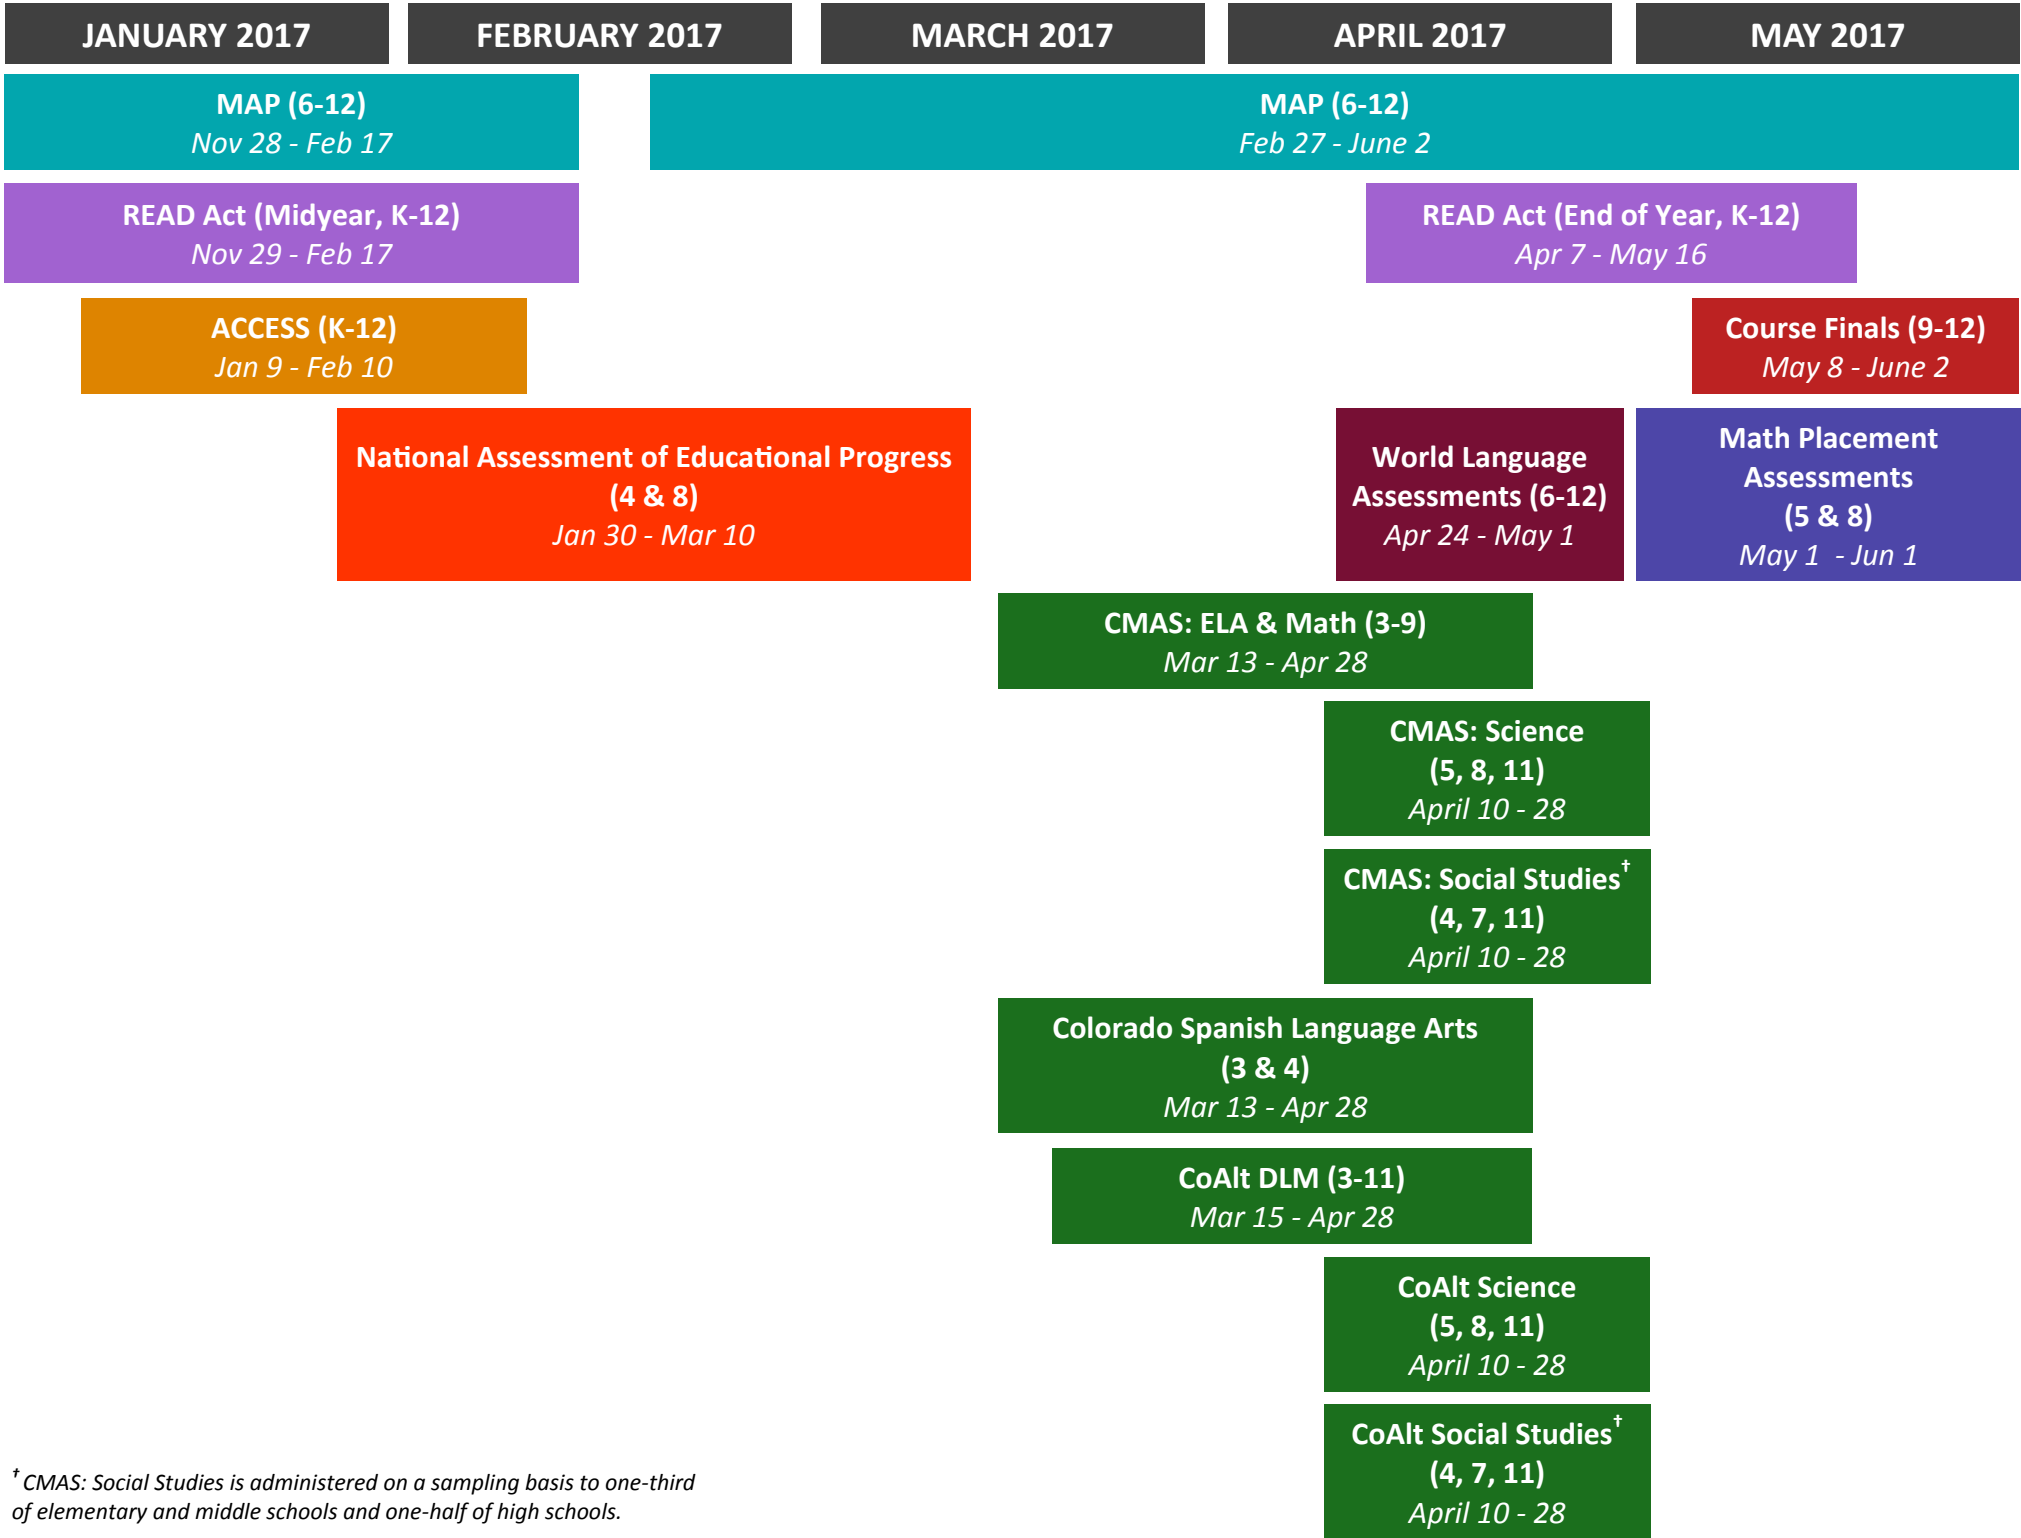

ASSESSMENT NOTES

TS Gold Dates	PSAT	MAP Testing	W-APT
October 24 January 30 May 8	April 11 or April 12 SAT April 11	All 6-12 students enrolled in a pathway school will be tested per state law.	W-APT testing must take place within ten days of the first day of school. Students that enroll after the first 30 days of school must be tested within 4 days.

Due to recent legislative changes to the READ Act, ELA-S students are now required to be tested in English at least once per year. Schools have the flexibility to test students at any point during the year. However, the Accountability, Research and Evaluation (ARE), Curriculum & Instruction (C&I) and English Language Acquisition (ELA) teams recommend that schools consider the following testing windows for the additional administration of the READ Act assessment in English.

Kindergarten: April 7 - May 16
Grades 1-3: November 1 - 28

**These assessments are managed by the Gifted and Talented department and are administered to a subset of identified students.*

[†] CMAS: Social Studies is administered on a sampling basis to one-third of elementary and middle schools and one-half of high schools.
