Note: The report excludes tests that have not yet been scored by the College Board.

* Scores not reported for groups with fewer than 16 students.

In the 2014-2015 school year, AP Physics 1 and AP Physics 2 replaced AP Physics B.

An Advanced Placement score of 3 or higher is considered passing and equivalent to a college course score of "middle C" or above. The Calculus AB Subscore score is used in overall calculations instead of the Calculus BC score.
